THE FULBRIGHT FOUNDATION IN GREECE – U.S. EDUCATIONAL FOUNDATION IN GREECE

## 16<sup>th</sup> ATHENS U.S. UNIVERSITY FAIR 2010

Dear colleagues and friends,

The Fulbright Foundation in Greece is pleased to announce the 16<sup>th</sup> Annual U.S. University Fair, to be held in Athens, on **Monday, October 4, 2010** at the Crowne Plaza, 50 Michalakopoulou Street, Athens, Greece, 4:00 p.m. - 8:00 p.m.

The U.S. University Fair is Greece's top event for students, parents, teachers, and counselors to learn about educational opportunities available in the United States at the undergraduate and graduate levels. Each year the Fair attracts hundreds of visitors, and we expect that once again the Fair will be a highly successful event. Generally, inquiries are equally divided between graduate and undergraduate studies.

You are invited to join us in Athens so that your institution is among those that Greek students consider for their studies. Greece ranks among the top countries in the world from which students go abroad to pursue higher education degrees, and is a market that many U.S. institutions highly value.
