				credit consideration for those courses.		
University of Calgary	May 1 (September start) – for all Students applying to the University of Calgary. Applications are available online and open on September 14 th for Fall 2010 admissions.	<p>Admission is based on students presenting five academic courses at the senior level including English. The SAT Reasoning Test and Math component are also required with a minimum SAT score of 1100 or composite ACT score of 24.</p> <p>Applicants who have completed AP exams with a minimum final grade of 4 will be eligible to receive university credits. Final scores must be sent directly from the College Board.</p>	<p>Applicants require GCE/GCSE Ordinary Level Examinations and GCE/GCSE Advanced Level Examinations. Applicants will be considered for admission based on their examination grades in five distinct subjects, of which at least two must be at the Advanced Level. The five subjects required will depend on the program you are applying for.</p> <p>Transfer credit will be determined by the admission office upon receipt of official transcripts.</p>	<p>IB Diploma with a minimum score of 24. Scores required will depend on the program you are applying for.</p> <p>Transfer credits of up to one full year of university credit may be granted for students possessing a minimum IB Diploma score of 24. For IB certificate students, transfer credit may be granted for Higher Level courses with a final grade of 5 or higher. Students must have official results submitted directly from the IBO to the Admission Office.</p>	<p>The University of Calgary has a number of awards available to International Students at the undergraduate level directly from high school. Awards range from \$500 to \$80,000 CDN. Some awards are automatic based on final grades of 80% or higher (or the equivalent), but most require an application. More information and applications can be found online at www.ucalgary.ca/awards.</p> <p>The University of Calgary also offers IB Diploma Scholarships ranging from \$2,500 to \$8,750 CDN. These awards are granted based on the final IB Diploma results. Students must present a final IB Diploma score of 36 to be eligible.</p>	<p>The University of Calgary has a generous scholarship program to recognize academic merit and student involvement.</p> <p>Our Admission Scholarships are based on Academic Merit and all students are automatically considered for them upon receiving their application to the university. These automatic scholarships range from \$500 to \$1,750 CDN based on academic averages of 80% or higher (or the equivalent). In the Faculty of Science will provide an additional \$1,000 CDN for students presenting an average of 85% or higher (or the equivalent). The Schulich School of Engineering also has scholarships for</p>

						<p>students entering our engineering programs that range from \$10,000 to \$20,000 CDN.</p> <p>Students applying to the University of Calgary can also apply for our High School Awards which range from \$500 to \$7,000 CDN and are awarded based on academic achievement, leadership, community service and extra curricular activities. In addition, we also offer Athletic Awards that range from \$500 to \$10,000 CDN for those students participating on a varsity athletic team. These awards are awarded based on nominations by the University of Calgary Department of Athletics – no application is required.</p> <p>More information on all of our awards can be</p>

University Of Toronto www.utoronto.ca/prospect	February 1 – Engineering, Music March 1 – arts and science programs St George Campus and U of T Mississauga Campus, and Physical Education and Health April 1 – arts and science programs U of T Scarborough	Minimum Basis of admission is an Ontario secondary School Diploma or its equivalent. For Diploma specific requirements visit www.adm.utoronto.ca USA Diploma Requirement: Grade 12 in an accredited high school with a high grade point average and good scores in SAT or ACT. 3 different subjects must be presented as SAT Subject Tests/ AP/IB. A combination of tests is acceptable. AP subjects in progress during senior year	British Patterned Education: Applicants are required to present acceptable standing in at least five <i>different</i> Ordinary Level subjects including four <i>different</i> subjects at Advanced Subsidiary Level OR three <i>different</i> subjects at the Advanced Level (excluding General Paper). The Faculty of Music and the Faculty of Physical Education and Health/Kinesiology require two subjects at the Advanced Level.	IB Admission: The full diploma is required. Admission is based on Predicted/Anticipated grades presented after December 1 of the final year of study. Students seeking admission to programs requiring Mathematics Transfer Credit: Students with AP courses in selected subjects with exam grades of 4 or higher may be eligible for transfer credit Students with Higher Level IB courses with	The University of Toronto International Scholar Award was introduced in 2007. Currently two scholarships are available for very high achieving students that are also influential within their communities. The amount of this award will vary depending on the students need, however it is possible for a student to have all costs covered if warranted. This award requires nomination by the school. For details please contact david.zutautas@utoronto.ca	All students, regardless of citizenship, are automatically considered for merit based scholarship at time of admission. No application is necessary.

		will be considered.	Applicants may be considered for a conditional offer of admission in the year in which they are writing their Advanced Level or Advanced Subsidiary Level. Final grades arrive too late for consideration. Subjects listed as prerequisites for admission should be presented at Advanced Subsidiary or Advanced Level. Students should present Advanced Subsidiary Level or Advanced Level Mathematics for programs requiring Calculus. Applicants to the Faculty of Applied Science and Engineering MUST present Chemistry, Mathematics and Physics at Advanced Level.	final grades of 5 or better may be eligible for transfer credit. No credit is given by the professional faculties (Applied Science and Engineering, Music, Physical Health and Education/Kinesiology). The complete transfer credit policy and list of transferable subjects is available at: www.adm.utoronto.ca
